After being embarrassed by and ridiculed for his mom s inability to act according to their community s idea of normal behavior, the boy helps his mom with coping strategies, showing how a TBI affects everyone in a family and how issues can be resolved. The book was written by a group of TBI survivors participating in a structured day program through Living Resources in Albany, NY. Conceived as part of a group therapy project, the book has given the clients a sense of pride and accomplishment which many mundane activities do not provide. The book s illustrator is also a TBI survivor, professional artist Carol Jordan. Suitable for readers ages 8 and up.
