

Andrew Jackson A Biography The Great Generals

By Robert V. Remini

Palgrave Macmillan Trade. Paperback. Book Condition: New. Paperback. 224 pages. Dimensions: 7.8in. x 5.0in. x 0.5in. Andrew Jackson is best known as the president who created Jacksonian democracy, with its focus on manifest destiny and laissez-faire economics. But rarely are his accomplishments as a general highlighted. Jackson's effective use of spies in wartime and of martial law in peace time sparked a debate about the curtailing of civil liberties in the name of national security that continues to this day. Most of all, Jackson was a great motivator who could, with a few carefully selected words and by his own brave example, turn around starved, deserting troops, convincing them to fight. With dramatic scenes of fierce battles and victories, Remini reveals here why Jackson's bold leadership as a general led to his election as President of the United States in 1828. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.
