Xulon Press, United States, 2009. Paperback. Book Condition: New. 214 x 138 mm. Language: English . Brand New Book ***** Print on Demand *****.Framed within an inspiring true story of spiritual awakening and deliverance from the clutches of organized crime, Tongues Inside-Out is a practical Biblical guide regarding why Christians can, but most don't resume Man's lost friendship with God by exercising his gift of speaking in tongues. Like Abraham's willingness to take a sign of the righteousness he had by faith, the book makes the case why tongues is likewise a voluntary sign of the circumcision of the heart that all born again Christians already received by grace. The book challenges all Christians that Christ Jesus has never stopped calling for us to step out in faith from our dispensational boats to walk on spiritual waters with unfailing trust that will allow their born again human spirits to pray and worship from the inside-out, causing a never ending spiritual conversation with God in the cool of the day in his Garden. Randal Munn has had careers in banking and law. He served as the State of Nevada's Assistant Attorney General and is currently practicing local government law. He came to faith in Christ Jesus as a young child and was born again in the Charismatic Renewal of the late 1960s. He is a long-standing faithful member of a non-denominational Christian church that believes and gracefully advocates that the Holy Spirit's gifts are for today. He and his wife of over 32 years have two adult children.
