## SIMON: THE GENIUS IN MY BASEMENT

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Simon: The Genius in My Basement, Alexander Masters, From the author of 'Stuart: A Life Backwards'; a warm and witty portrait of a harmless, eccentric, bona fide genius. Alexander Master's landlord, Simon, lives in the basement of their Cambridge house. Between teetering towers of outdated maps and slagheaps of plastic bags, Simon eats endless meals of tinned kippers and plans trips on the Cambridge public transport system. But Simon was one of the greatest mathematical prodigies of the twentieth century. He spends his time between train journeys working on a theoretical puzzle so complex and critical to our understanding of the universe that it is known as the Monster. Poignant and comical, 'Simon: The Genius in my Basement' is about the frailty of brilliance and how genius matters very little in the search for happiness.
