Futureland: Nine Stories of an Imminent World

By Walter Mosley

BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. Life in America a generation from now isn t much different from today: The drugs are better, the daily grind is worse. The gap between the rich and the poor has widened to a chasm. You can store the world s legal knowledge on a chip in your little finger, while the Supreme Court has decreed that constitutional rights don t apply to any individual who challenges the system. Justice is swiftly delivered by automated courts, so the prison industry is booming. And while the media declare racism is dead, word on the street is that even in a colorless society, it s a crime to be black. But the world still turns and folks still have to get by with the hands they re dealt, folks such as: Ptolemy Popo Bent: This gentle backwoods child has a genius I.Q.- and a soul so pure that officials want him locked up forever. Folio Johnson: A hardboiled, cyber-augmented private eye who can see beneath the dark poetry of the metropolis, he will need an even greater edge than that to find out...
