

## Beyond All Human Probability

By Jr Edwin W Biederman

Elderberry Press (OR), United States, 2014. Paperback. Book Condition: New. 190 x 135 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When Ken James accepts a challenge from his long-term Washington, D.C. friend, Jane, to figure out a way to finance a presidential campaign without the influence of special interests, he has no idea what is in store for him. Ken comes to the conclusion that this seemingly impossible task might be done if he could use his geological training to locate a deposit that might have a big payoff over a short time-frame. It occurs to him that two teenagers who travel to Eastern Canada for their summer vacation might have fun while providing inexpensive manpower for a search aimed at discovering a source of natural colored diamonds. Ken concludes that sand samples from the shores of streams and lakes could provide the necessary clues as to the location of valuable deposits. While getting started, Ken recalls the many seemingly impossible events that occurred that are part of our nation's history. These highly improbable occasions inspire him to focus on a goal that others view as beyond all human probability. Ken has a chance meeting...
