 Institute of Technology, Delhi, language: English, abstract:
 Everyone is familiar with The Battle of Thermopylae that
 occurred around 480 B.C. between the combined Greek forces
 and the Persian Army (majorly because of the fact that a
 blockbuster Hollywood movie 300 was made on the same) and
 praised the bravery and patriotism of the Greek soldiers who
 despite being heavily outnumbered neither retreated nor
 surrendered and died gloriously in the battlefield; but most of
 the common folk is not familiar with an even more striking
 account of bravery, where 21 Sikh soldiers gave up their lives in
 devotion to their duty, facing the incredible odds against more
 than 10000 Afghan Tribesmen in The Battle of Saragarhi,
 which is considered as one of the history's greatest Last Stands
 as well as published by UNESCO under the top five stories of
 bravery mentioning it as one of the most significant events of
 its kind in the world. 8 pp. Englisch.

Reviews

This ebook is definitely not simple to begin on reading but really enjoyable to read through. This really is for all who state that there had not been a worth reading. You may like how the author publish this ebook.

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.
