Working Women: Issues and Challenges

By Dhara Thakkar, Rameshwari Pandya

Serials Publications, 2010. Hardcover. Book Condition: New. The study of anatomical, physiological aspects of human beings in working environment is important to ensure that work fits the job to the man rather than the man to the job. In a semi-industrialized country like India, the working class is one of the weakest sections of society. Society being male-dominated, women workers receive still poor recognition/ value. It is not that there are no statutory provisions to ensure fair working conditions for women in India. In fact, the constitution of India provides equal rights and opportunities to both the gender. In addition, there are specific provisions for protection. In addition, there are specific provisions for protection and welfare of working in many of the labour laws. However, most of these legislations do not cover agriculture and units in small and informal sectors which are the predominant workplaces of women. Women today are not only doing physical work but are also doing mental works by taking up employment in the jobs like administration, management offices and courts. With the growing avenues, women facing various types of problems, which need to be sorted out and solved. This book deals with the problems and issues...

Reviews

It is one of the best publications. It really is really intriguing through reading through period of time. You will not feel monotony at anytime of your own time (that's what catalogs are for relating to in the event you request me).

-- **Dr. Pat Hegmann**

It is one of my favorite publications. It is among the most awesome publications I have gone through. I am just quickly will get a delight of reading through a published publication.
