ADDLANDS (HARDBACK)

GRANTA BOOKS, United Kingdom, 2016. Hardback. Book Condition: New. 222 x 145 mm. Language: English . Brand New Book. Addlands is the story of two generations of the Hamer family working the Funnon Farm. There is Idris, stubborn, strong, a man of the plough and the prayer-sheet, haunted by the war. Then comes Oliver, a near mythic giant bestriding the landscape, a fighter, a man of the hills as hard as the prehistoric stone. Then there is Etty, Oliver s mother, the centre of this close constellation, watching new technologies and old ways converge on the farm and on the life of her son. Addlands is instantly a classic of rural British fiction. It is as vast and complex as a symphony but as pure and moving as a solo voice in an empty church. As much a book about birdsong as it is about closing time brawls, Addlands beauty is in the clear truth of its language and the sheer humane depth of its inquiries. It is a miraculous book which unfurls at the speed of life and bathes its reader in a rare golden light.
