Bharatiya Kala Prakashan, Delhi, 2008. Hardcover. Book Condition: New. First edition. 23 x 29 cm. This volume consists of forty-one research papers penned by Shri C.T.M. Kotraiah, Archaeologist, while he was in the service of that august organisation, The Archaeological Survey of India and even after retirement, in the year 1985. All of them are based on his thorough and thoughtful investigations into the archaeological remains spread in that vast but rich site of Hampi - Vijayanagara. All of them were got published by him from time to time in different journals, periodicals, books felicitation volumes etc. And they are reproduced here in one volume thereby making them easily accessible to the interested scholars. Further much talked of the glorious achievements of the Vijayanagara empire was mainly due to economic prosperity which in turn depended on agricultural prosperity supported by intensive and extensive irrigation systems adopted and practised during the period.
