Reviews

It is one of the most popular pdfs. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.

Brand New Book ***** Print on Demand *****.Excerpt from The Decay of Capitalist Civilisation We may as well forestall the obvious criticism that this little book is not constructive. It is not intended to supply a plan of reconstruction. For such a plan, in considerable detail, the reader is referred to the works advertised in the final pages; and particularly to A Constitution for the Socialist Commonwealth of Great Britain, and, on another plane, The Prevention of Destitution; or, in the form of a political programme, the pamphlet of the British Labour Party, Labour and the New Social Order (33 Eccleston Square, London. Price Threepence). We gratefully acknowledge the help of various friends, who will excuse the omission of their names. But we cannot refrain from expressing our deepest gratitude to our oldest friend and comrade, Mr. Bernard Shaw, who kindly undertook the revision of the proofs in the midst of a General Election when we were otherwise engaged. 41 Grosvenor Road, Westminster, January 1923 [The opportunity of a Second Impression has been taken to correct various verbal and literal errors, principally in the quotations and references.] About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
