Syracuse University Press, 2006. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: This is the answer guide for the SAT\* Vocab 800 Course Book. It contains answers for all 360 exercises contained in its 40 chapters. In addition, the Answer Guide also has 160 supplemental exercises (and, of course, their answers as well) that can be used to test comprehension at the end of each chapter. It's a perfect tool for any teacher who has adapted SAT\* Vocab 800 into his or her curriculum. As mentioned by Paul Martinez, Director of Primanti Montessori School-Whittier, California, ".SAT Vocab 800 addresses each vocabulary word from different aspects of the word, including: antonyms, synonyms, contest, denotations, connotations, and multiple testing of each word. I would enthusiastically endorse SAT\* Vocab 800 as an effective tool for providing the students at Montessori schools with the high level of education."For test preparation academies, few tools can match the Answer Guide & SAT 800 course in comprehensively and efficaciously covering the vocabulary development for the SAT. As Joy Lin, a student from Yorba Linda, CA., volunteered, "I studied the SAT\* Vocab 800 Book and my score in the Critical Reading section of the SAT increased 200 points to 780. This book also helped provide me with strong historical examples for the essay in the Writing section, on which I scored a perfect 800?"Broaden your vocabulary and your knowledge of history, geography, and biography:The American RevolutionThe Berlin WallThe Bubonic PlagueThe Transcontinental RailroadThe Evolution of CommunismThe Nile RiverThe Mayan CivilizationChina All the essays (which incorporate a fill in the blank to further engage the user) can also be used as illustrative examples in the 25-minute SAT essay.
