Becket, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The Christmas King tells the story of the birth of Jesus of Nazareth, the Christ, the Son of God. It finely gathers into a narrative the prophecies that foretold his coming, spanning from the Book of Genesis, through the books of the prophets, until finally interweaving the two infancy narratives of the Gospel of Matthew and the Gospel of Luke. The story of The Christmas King is always on the move! It is brimming and froth with sinful betrayals, anointing of kings, invading armies, messages of hope, exile and destruction, rebuilding, angels, serpents, and the birth of the Incarnate Word into complete poverty, right before he must flee into a distant land as countless infants and toddlers are slaughtered. Considering how The Christmas King came into the world by generations of planning and waiting and hope, the gift of God the Father to us is perhaps the most thoughtful gift that has ever been given in human history.
