This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

HarperCollins Publishers Inc. Paperback / softback. Book Condition: new. BRAND NEW, Dead Days of Summer, Carolyn Hart, Annie Darling, owner of the Death on Demand mystery bookstore, is understandably upset. It isn't like her p.i. husband Max to abruptly disappear--and homicide is definitely not his style. But when his car is found abandoned on a remote road with a brutally slain, once-beautiful young woman nearby and the murder weapon stashed in the trunk, Annie's worst fears seem justified. The police have Max all but tried and convicted--except for Chief Billy Cameron, whose unshakable belief in his friend's innocence prompts his removal from the case. And as a media circus descends on tiny Broward's Rock, Annie will have to place her own life in jeopardy to clear her husband's name. But time is running out--and she has only one slim chance to unmask a killer who just may have committed the perfect crime.
