Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, A Curious Earth, Gerard Woodward, By the author of Booker-shortlisted I'll Go To Bed At Noon. Aldous Jones is in a bad way: his dilapidated house is empty of family but full of hoarded odds and ends that remind him of his dead wife and son. A preference for whisky over washing rapidly leads to his hospitalisation but it also reawakens his desire for sex and adventure and his lifelong passion for art. What follows is a heartbreakingly funny quest that will lead him first to the National Gallery, where he is bewitched by a Rembrandt painting, and then to Ostend, to stay with his bohemian son and a ridiculous Dutch sexologist and then through a series of somewhat misguided relationships with sympathetic women to an ending of devatating poignancy.
