---

By Mary Stewart

Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, Rose Cottage, Mary Stewart, When Kate Herrick's grandmother asks her to travel down from Scotland to her childhood home in Todhall to retrieve some papers and family mementoes before Rose Cottage is sold, Kate is happy enough to go, but curious as to the changes she may find there. Widowed in the recent war - this is the summer of 1947 - and comfortably settled now in London, she is in some doubt as to how the village will receive her. Rose Cottage - a tiny thatched dwelling with fragrant roses in the garden - is unchanged, and the villagers seem friendly. But there is evidence of a break-in at the cottage, and then her nearest neighbours, three elderly ladies from what the villagers call 'Witches' Corner', come with tales of night-time prowlers in the cottage garden, and even ghosts. In the process of solving the mystery, Kate finds romance.
