By Charles S. Elton, Daniel Simberloff

The University of Chicago Press. Paperback. Book Condition: new. BRAND NEW, The Ecology of Invasions by Animals and Plants (New edition), Charles S. The first book on invasion biology, and still the most cited, Elton's masterpiece provides an accessible, engaging introduction to one of the most important environmental crises of our time. Charles S. Elton was one of the founders of ecology, who also established and led...

Extremely helpful for all classes of individuals. Better than never, though I am quite late in starting to read this one. I realized this publication from my father and dad suggested this ebook to discover.
