

Steps, Faith to Reason

By Jr. William C. White

AUTHORHOUSE, United States, 2009. Paperback. Book Condition: New. 198 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.For centuries books have changed lives. Some even improved lives. This book provides an historical sketch of mankind's path during the past four millennia with a focus on mankind's use of faith and reason as faculties to guide life. Along this path there have been endless efforts to guide human lives; some even sought to reduce the brutishness of humans. Among the early efforts to encourage civility in human behavior were tenets, doctrines of faith-based religions. With faith, as used in this copy, one accepts without question doctrines and tenets of a religion. Later along mankind's path, reason developed as a faculty enabling one to question, to seek truths and to use integrity, ethics and morality to do what is right. As in any path, there are increments of progress, steps, which serve as landmarks along the way. Reason, with rational thinking, got a foothold in the second millennium BCE, beginning a transfer by mankind in using reason rather than faith as a faculty to guide human life. The text describes some of the more progressive, landmark...
